The

by Jill Korey O'Sullivan

Look! She's home!

Oh, no! Where is Car?

Car, go under this table!

Where are the Robots?

Robots, go in these boxes!

Where is Teddy Bear?
Where is Ball?

Teddy Bear, climb into that dresser!

Ball, bounce into this toy box!
Puppet! Get up on the shelf!

Where is my doll? Ah, here you are!
Do you want to play?

NATIONAL GEOGRAPHIC

Facts About Dolls

Children around the world play with dolls. But not all dolls look alike. Look at these dolls from different countries.

kokeshi dolls from Japan

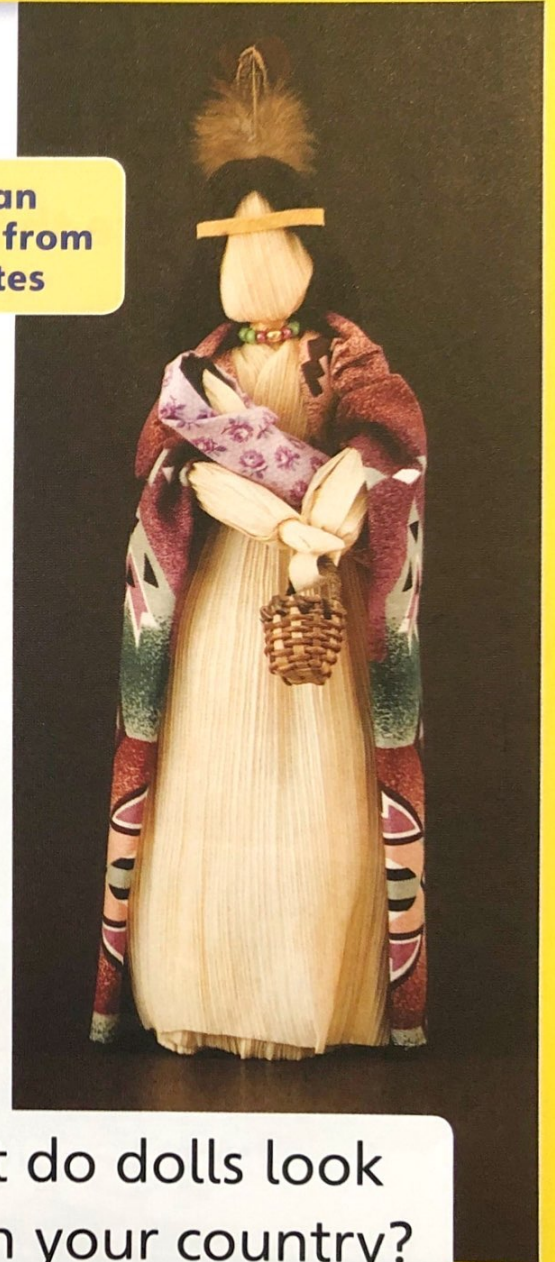

Rajasthani dolls from India

**matryoshka dolls
from Russia**

**Native American
corn husk doll from
the United States**

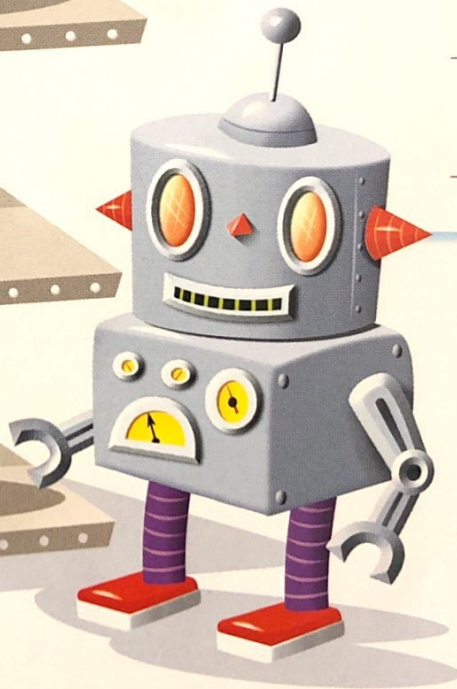

**worry dolls from
Guatemala**

What do dolls look
like in your country?

Fun with Toys

How many are there? Write the number.

 3 cars
 balls
 robot
 bears

Find the toys. Circle each toy.
Use the right colour.

car

robot

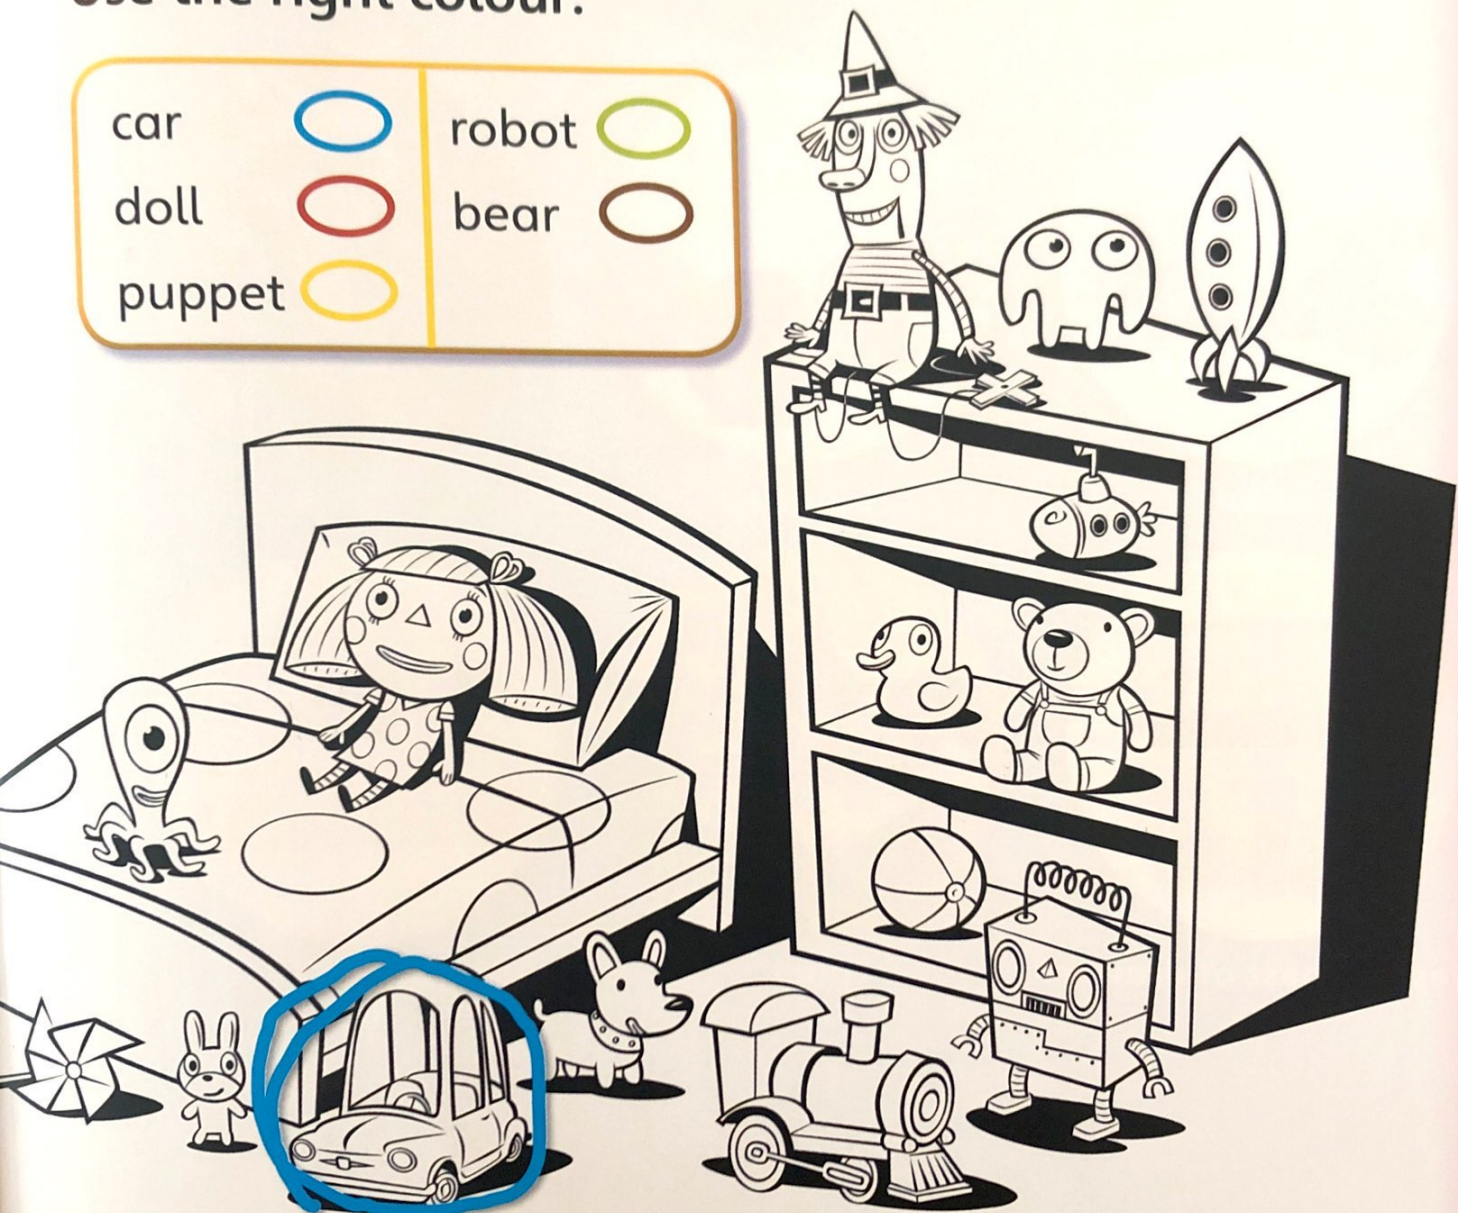

doll
